

New England Sales, Inc.

# MANUFACTURING PROCESS EQUIPMENT

## *Parts Washing, Degreasing & Chemical Processing*

### RAMCO Equipment Corporation

- Agitating turbulating modular parts washing systems
- Ultrasonic cleaning systems
- Passivation and conversion coating systems
- Fluorescent penetrant inspection systems – FPI
- Semi automatic & fully automatic systems
- No charge sample parts testing

### DURR ECOCLEAN

- Durr Ecoclean provides totally enclosed non-chlorinated hydrocarbon degreasing and vacuum dry systems
- Manual or automated systems
- No charge sample parts testing

### JRI INDUSTRIES

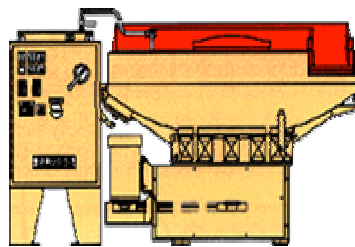

- Top loading spray washers
- Cellular spray washers
- Multistage spray washers

## *Deburring, Metal Finishing & Cleaning*

### ALMCO /INNOVANCE, INC.

- Vibratory deburring and finishing systems
- Round bowls/rectangular tubs
- Process development
- No charge sample parts testing

### **Finishing Media and Compounds**

- Plastic and ceramic media stocked locally
- No charge parts processing to optimize media selection

- Spray washers
- Cabinet washers
- Continuous belt washers
- Spiral washers
- Inline dryers

# MANUFACTURING PROCESS EQUIPMENT

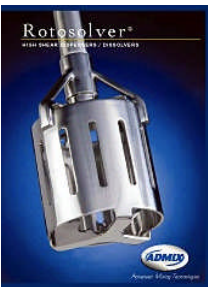

## Mixing & Agitation

### Brawn Mixer, Inc.

Portable and production agitators  
Mix and match modular design  
Interchangeable parts

### ADMIX Advanced Mixing Technologies

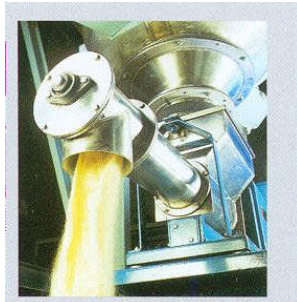

**High Shear**  
Liquid and solid mixers  
Inline mixing and milling  
Homogenizing equipment  
Particle size reduction  
High shear mixing  
Free lab testing

Call us for all your mixing component needs including tanks and vessels

### Vibra Screw, Inc. Dry Product Feeding and Metering

Bin activators  
Vibrating screw feeders  
Bulk solids handling  
Loss of weight feeders

## Process Dewatering

### Siemens Water Technologies

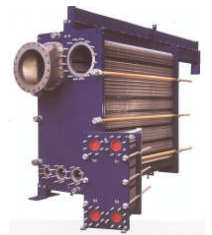

J-Press™ Filter press  
J-VAP™ Vacuum dewatering  
Application: product cake/product filtrate

Centramax™ –  
Solid bowl centrifuge  
Application: continuous dewatering

### Alfa Laval Heat Exchange Solutions

Plate style heat exchangers  
Spiral style heat exchangers  
Evaporators, condensers

### American LEWA Precision Sealless Diaphragm Metering Pumps

Low to ultrahigh pressure  
Simplex, duplex, multiple pumps on a common drive  
Complete metering system skids  
Integration and skidding
